

### SPECIFICATION

Triple Toilet Roll Holder shall hold and dispense three (3) standard toilet rolls. Fabricated of alloy 18-8 stainless steel, grade 304, 18 gauge; cabinet shall be same grade, 22 gauge. All exposed surface shall be No. 4 satin finish and be protected during shipment with a PVC film easily removable after installation. Structural assembly of body and door components shall be of welded construction. Door shall be held closed with a tumbler lock.

### INSTALLATION

Unit is surface mounted on wall or partition using four (4) No. 10 self tapping screws (supplied by others). Two mounting holes through back are "keyhole" slots for ease in hanging unit on pre-installed screws.

### OPERATION

Unit holds three (3) standard core toilet paper rolls. Toilet rolls are loaded into the cabinet through the top. Bottom roll is depleted prior to top roll dropping into lower position for use.

### WARRANTY

One year.

Triple Toilet Roll Holder shall be Model No. 10-0029 as supplied by ASI JD MacDonald.

♿ All ASI JD MacDonald disabled compliant products when installed must be in accordance with AS1428 to ensure the specified product is complying with all washroom specification requirements.
