

GOODS RETURN POLICY

From 1st May 2013, all goods being returned for credit will require a written authorisation by an ASI JD MacDonald Customer Service Representative.

A Returns Material Authorisation (RMA) will be issued upon approval and must be attached in a visible position on the product. All goods must be in original packaging and in as new condition and all customer labelling must be removed from the ASI JD MacDonald packaging.

Additionally, please be aware that ALL credit claims are subject to inspection upon receipt by ASI JD MacDonald. Should goods be found to have been installed, vandalised or missing parts, a Rejection of Credit will be issued with a request for the customer to arrange a courier to collect the goods.

ASI JD MacDonald accepts no responsibility for goods that are damaged during the transit return from customer to the ASI JD MacDonald warehouse.

Additionally, any product received that is not in a saleable condition may have images taken of the goods. The customer will have 7 days to pick up the rejected goods.
