

OUR PREMIER SOAP DISPENSERS CAN NOW DISPENSE HAND SANITISER

Designed with high traffic environments and hygiene in mind, our automatic dispensers now serve a dual purpose — to cost effectively dispense either soap or hand sanitiser. Operating on battery power makes them untethered so they can be mounted to a wall or just about anywhere. Options available for either liquid or foam.

FS-0300 - optional mounting stand available, compatible with all four dispensers; 10-20364, 10-20365, 10-0361 and 10-0362-41.
