

TURBO-SLIM MATTE BLACK

THAT'S RIGHT. The Turbo-Slim high-speed hand dryer is now available in an elegant matte black finish.

FEATURES:

- Only 102mm deep – suitable for most confined spaces
- High-speed allows for quick drying – under 15 seconds
- Suitable for high-traffic environments
- Owner-adjustable air speed and air temperature
- On/off heating options
- Operates automatically using infrared sensor
- Dryer automatically shuts off after time-out when user removes hands from sensor zone

TURBO-SLIM RATINGS

(For all Turbo-Slim ratings, please refer to the appropriate Specification Sheet on www.asijdmacdonald.com.au)

MODEL	COVER TYPE	FINISH	AIR SPEED	ELECTRICAL SUPPLY	WATTS	AMPS	RPM	NOISE LEVEL
10-0199-2-41	18 gauge (1.2mm thick) drawn steel	Black powder coat	234-295 km/hr	AC 220-240V 50/60Hz	1000	3-4	22,000 - 29,000	68.9 – 74.3 dB-A @2M
10-0199-2-00		White powder coat
